See Attached Notice

Sam Rimell
Primary Examiner
Art Unit: 2175

Subsequent to the Examiner's non-final office action of April 10, 2003, applicant submitted an Information Disclosure Statement dated June 25, 2003. This was followed by a Notice of Appeal with time extension dated September 10, 2003 and submission of appeal brief with time extension dated April 12, 2004.

The Information Disclosure Statement of June 25, 2003 is lacking all reference copies. Since examiner can readily obtain the U.S. Patent reference copies, applicant is requested to submit only the non-patent literature references (references marked D, E and F) in response to this action. Upon receipt of these references, the Information Disclosure Statement of June 25, 2003 will be considered and applicant's appeal brief will be considered.

To avoid dismissal of the appeal, applicant must submit the reply within the longest of any of the following TIME PERIODS: (1) ONE MONTH or THIRTY DAYS, whichever is longer, from the mailing of this communication; (2) within the time period for reply to the action from which appeal has been taken; or, (3) within two months from the date of the notice of appeal under 37 CFR 1.191. Extensions of these time periods may be granted under 37 CFR 1.136

Any inquiry concerning this communication should be directed to Sam Rimell at telephone number (703) 306-5626.
